

Anna Romberg

Ph.D. Anna Romberg is passionate about good governance and corporate responsibility. She is co-founder of the Nordic Business Ethics initiative and a member of the executive management team at the Swedish MedTech company Getinge, where she heads the global sustainability, legal and compliance function. Anna has supported numerous global companies with governance and compliance related matters as an executive and through her own business.

She has been involved in interaction with authorities, in relation to compliance challenges and remediation programs, in Europe, Latin America, South-Africa and the US. She is a lifelong learner, an appreciated speaker and has co-authored the book "The Grey Zone - a practical guide to corporate conduct, compliance and business ethics".
